
4, 6 and 11 August at 12-2 pm CT

"Identifying sweet spots in organic-rich mudrocks: Stratigraphic, sedimentologic, and depositional processes in shale basins"

by Ursula Hammes, PhD

The workshop is conducted online for 2-hr sessions over three days

Learn how stratigraphic and depositional processes influence regional correlations and facies variations of organic-rich mudrocks with respect to calcareous, siliceous and clay-rich shales.

Dr. Ursula Hammes obtained her Diploma in Geology from the University of Erlangen in Germany and her PhD from the University of Colorado at Boulder. She spent ten years working as a consultant, performing postdoctoral research at the Bureau of Economic Geology, and as exploration geologist in industry. Dr. Hammes worked at the Bureau of Economic Geology and the University of Potsdam, Germany, as a Research Scientist and currently teaches at Texas A&M University as Halbouty Visiting Chair. Since January 2017, she has been consulting for a variety of oil and gas companies as well as teaching classes in evaluation of shale oil/gas plays. Her main research focus is in shale-gas/oil systems specializing in basin to nano-scale characterization of shale basins. Other research interests and specialities include clastic and carbonate sequence stratigraphy, analyses of depositional systems, and carbonate and clastic diagenesis. She has published more than 200 papers, 400 abstracts, and served as AAPG Bulleting Editor, AAPG session chair, GCSSEPM President, and lecturer.

"Identifying sweet spots in organic-rich mudrocks: Stratigraphic, sedimentologic, and depositional processes in shale basins"" by Ursula Hammes, PhD

Time:	Tue 4 August 2020 at 12-2 pm Central Time US (Houston) Thu 6 August 2020 at 12-2 pm Central Time US (Houston) Tue 11 August 2020 at 12-2 pm Central Time US (Houston)
Price:	$275 regular, $250 discounted* ** for second and subsequent workshops*
Included:	Certificates on request, literature and manual excerpts, limited follow-up mentoring
Online Platform:	ZOOM Meeting Platform. Meeting link will be sent after payment has been made or initiated. You do not need a ZOOM license, you will only need to download the plugin upon entering
Register:	**Register here** or contact TerraEx Group
Payment:	**Pay here** Please pay **AFTER** you registered AND received seat confirmation. We accept PayPal, and major credit cards. For other payment options please contact TerraEx Group.
